FINN CHIROPRACTIC GROUP HIRES NEW ASSOCIATE DOCTOR

Dr. Eric Pasierb joins Dr. Shawn Finn at the Seven Fields practice

PITTSBURGH, October 6, 2009 – Dr. Eric Pasierb recently joined Finn Chiropractic Group as an Associate Doctor in the practice's Seven Fields office. A 2002 graduate of Penn State University, Dr. Pasierb earned his bachelor's degree in Kinesiology and his doctorate of chiropractic from New York Chiropractic College.

"We're excited to welcome Dr. Pasierb to Finn Chiropractic Group," said Dr. Shawn Finn, clinic director. "He is very skilled and knowledgeable, and our patients appreciate his treatment approach. He has already proven to be a great addition to our practice."

Dr. Pasierb believes that physical fitness and rehabilitation are essential for optimum benefit in chiropractic care, and he is trained in ergonomics, rheumatology, sports injuries and soft tissue techniques.

"I've been given a great opportunity with this new position," Dr. Pasierb said. "I am enjoying getting to know and providing treatment for the patients at Finn Chiropractic Group. It's a practice where the patients are more than patients, which is the type of environment I was looking for."

An active member of the American Chiropractic Association (ACA), Dr. Pasierb is originally from Somerset County and made the move to the Pittsburgh area upon acceptance of the new position.
